

## YOUR FOUNDATION WITH FONDATION DES FONDATEURS

### YOUR PLATFORM FOR DONOR-ADVISED FUNDING

Fondation des Fondateurs provides private donors with professional facilities to realise their personal grantmaking objectives. Fondation des Fondateurs is a non-profit, tax-exempt foundation according to Swiss law, supervised by the Swiss Federal Supervisory Board for Foundations.

Fondation des Fondateurs is independent of third-party interests, complies with the Swiss Foundation Code, and is a member of SwissFoundations, the association of Swiss grantmaking foundations.

### YOUR FOUNDATION WITHIN

Stand-alone foundations, especially with smaller or medium-sized volumes of funds, are costly in terms of money and labour. Fondation des Fondateurs offers the pooling of individually designed funds under a cost-efficient, professionally managed umbrella. Every fund is committed to its grantmaker's philanthropic goals and provided with its own accounting and reporting.

The advantages for you:

- Individual stipulation of grantmaking goals and criteria
- Participation in grantmaking decisions
- Dedicated fund with separate annual report
- Step-by-step investment possible

### YOUR TARGETED DONATION

Fondation des Fondateurs also provides cost-efficient General Funds for one-time or occasional donor-advised funding.

The advantages for you:

- Individual stipulation of goals and/or beneficiaries in the domains of "Civil Society", "Environment", and "Science & Technology"
- Professional management and simple administration
- Your choice of visibility or confidentiality
